RE: Clough Pike Closure
Union Township

Dear Commissioners:

We have scheduled a culvert replacement on Clough Pike in Union Township. It will be our recommendation that the road be closed to traffic. The closure is located west of Terrace Drive and will be a daytime closure only. The start of construction will begin on Saturday, October 22, 2011. We anticipate the road will be open to traffic on the same day.

The Office of Clermont County Engineer shall notify the Communication Center and other agencies. All advanced warning and detour signs will be erected and maintained by the Clermont County Engineer's Office. Attached is the recommended detour.

If we can provide any additional information please call (513) 732-8857.

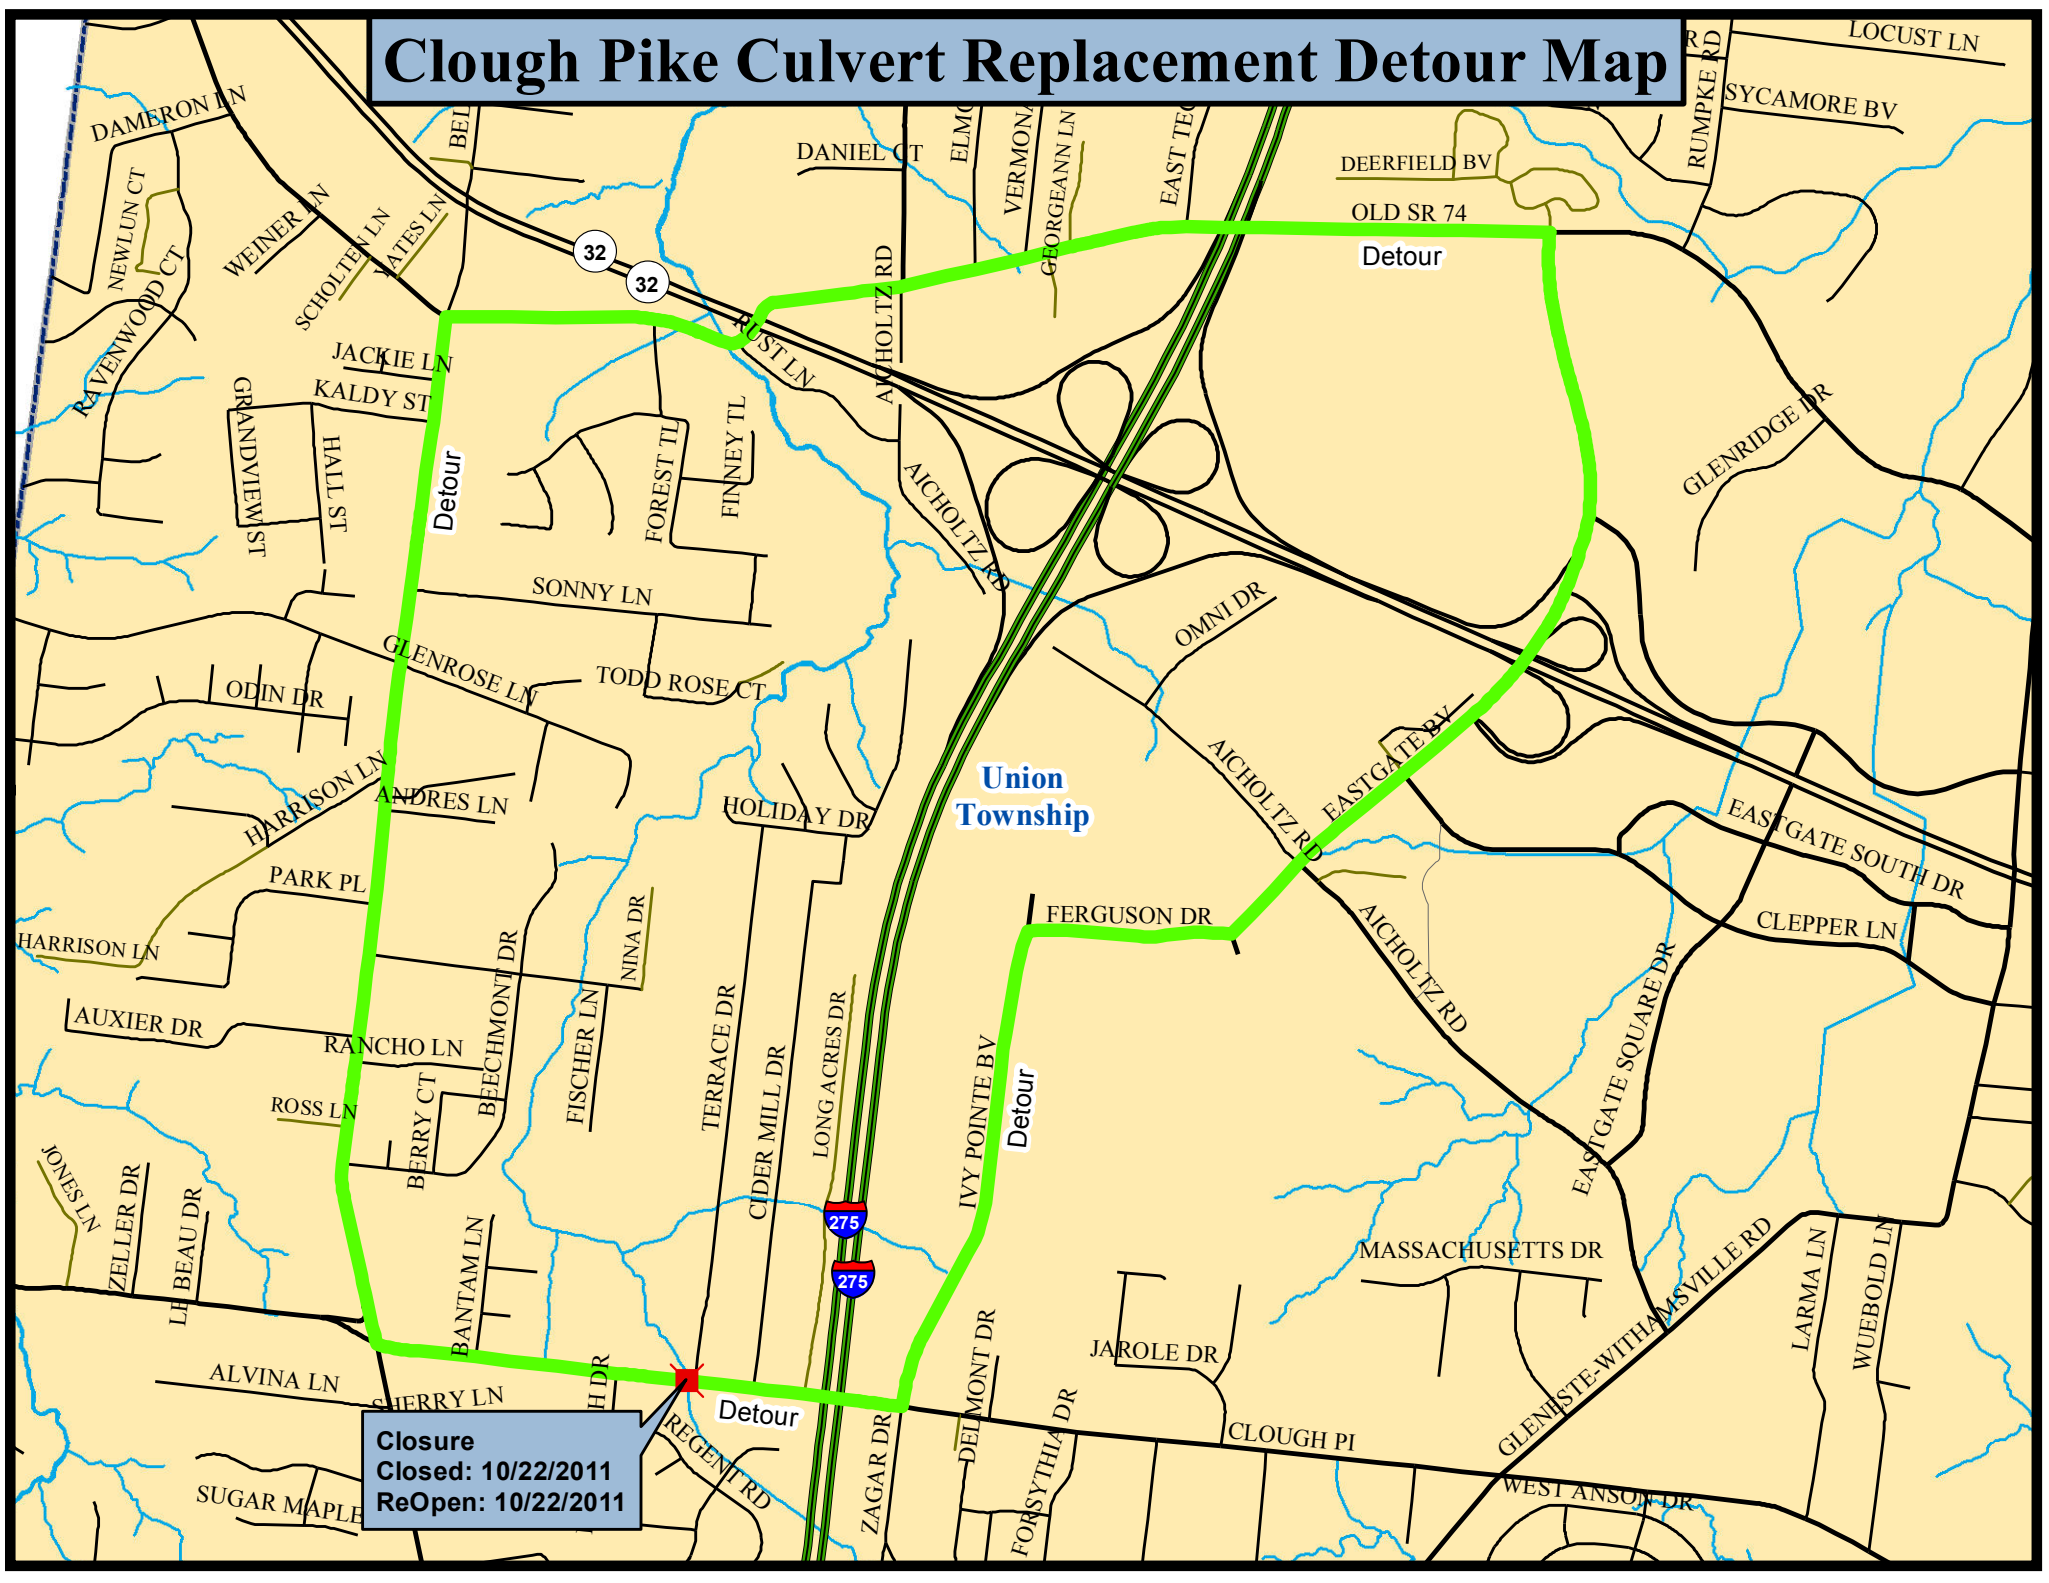

Sincerely,

Patrick Manger, P.E.-P.S.
County Engineer
