RE: Shiloh Road Closure  
Goshen Township

Dear Commissioners:

Atlas Construction requests a road closure on Shiloh Road in Goshen Township for a sanitary sewer main extension. The closure is located between State Route 132 and Cozzadale Road. To accomplish the planned construction, it will be our recommendation that the road be closed to traffic from **Thursday, 11/12/09 through Monday, 11/30/09.**

The Office of Clermont County Engineer has no objections and if approved shall notify the Communication Center and other agencies. We will also be responsible for posting and maintaining all necessary advisory signage in accordance with the attached recommended detour.

If we can provide any additional information please call (513) 732-8857.

Sincerely,

Craig M. Stephenson, P.E.  
Chief Deputy Engineer
