RE: Old US 52 Closure, Bridge No. C303-0.29
Pierce Township

Dear Commissioners:

We have scheduled a bridge replacement on Old US 52 in Pierce Township. To accomplish the planned construction, it will be our recommendation that the road be closed to traffic. The closure is located between 468 and 504 Old US 52. The start of construction will be on Monday, August 8, 2011. We anticipate the road will be open to traffic on Friday, December 23, 2011.

The Office of Clermont County Engineer shall notify the Communication Center and other agencies. All advanced warning and detour signs will be erected and maintained by the Clermont County Engineer's Office, except for the project barricades. They will be erected and maintained by the Contractor. Attached is the recommended detour.

If we can provide any additional information, please call Todd Gadbury, Bridge Engineer at (513) 732-8865.

Sincerely,

Patrick Manger, P.E.-P.S.
County Engineer
