RE: Hawley Road Closure
Jackson Township

Dear Commissioners:

We are assisting Jackson Township with the installation of a concrete box culvert on Hawley Road. To accomplish the planned construction, it will be our recommendation that the road be closed to traffic. The start of construction will be on Monday, October 5, 2009. We anticipate the road will be open to traffic on Friday, October 9, 2009.

The Office of the Clermont County Engineer has no objections and if approved shall notify the Communication Center, Township Trustees, Township Fire/EMS, Schools and other agencies. We will also be responsible for posting and maintaining all necessary advisory signage in accordance with the attached recommended detour.

If we can provide any additional information please call (513) 732-8857.

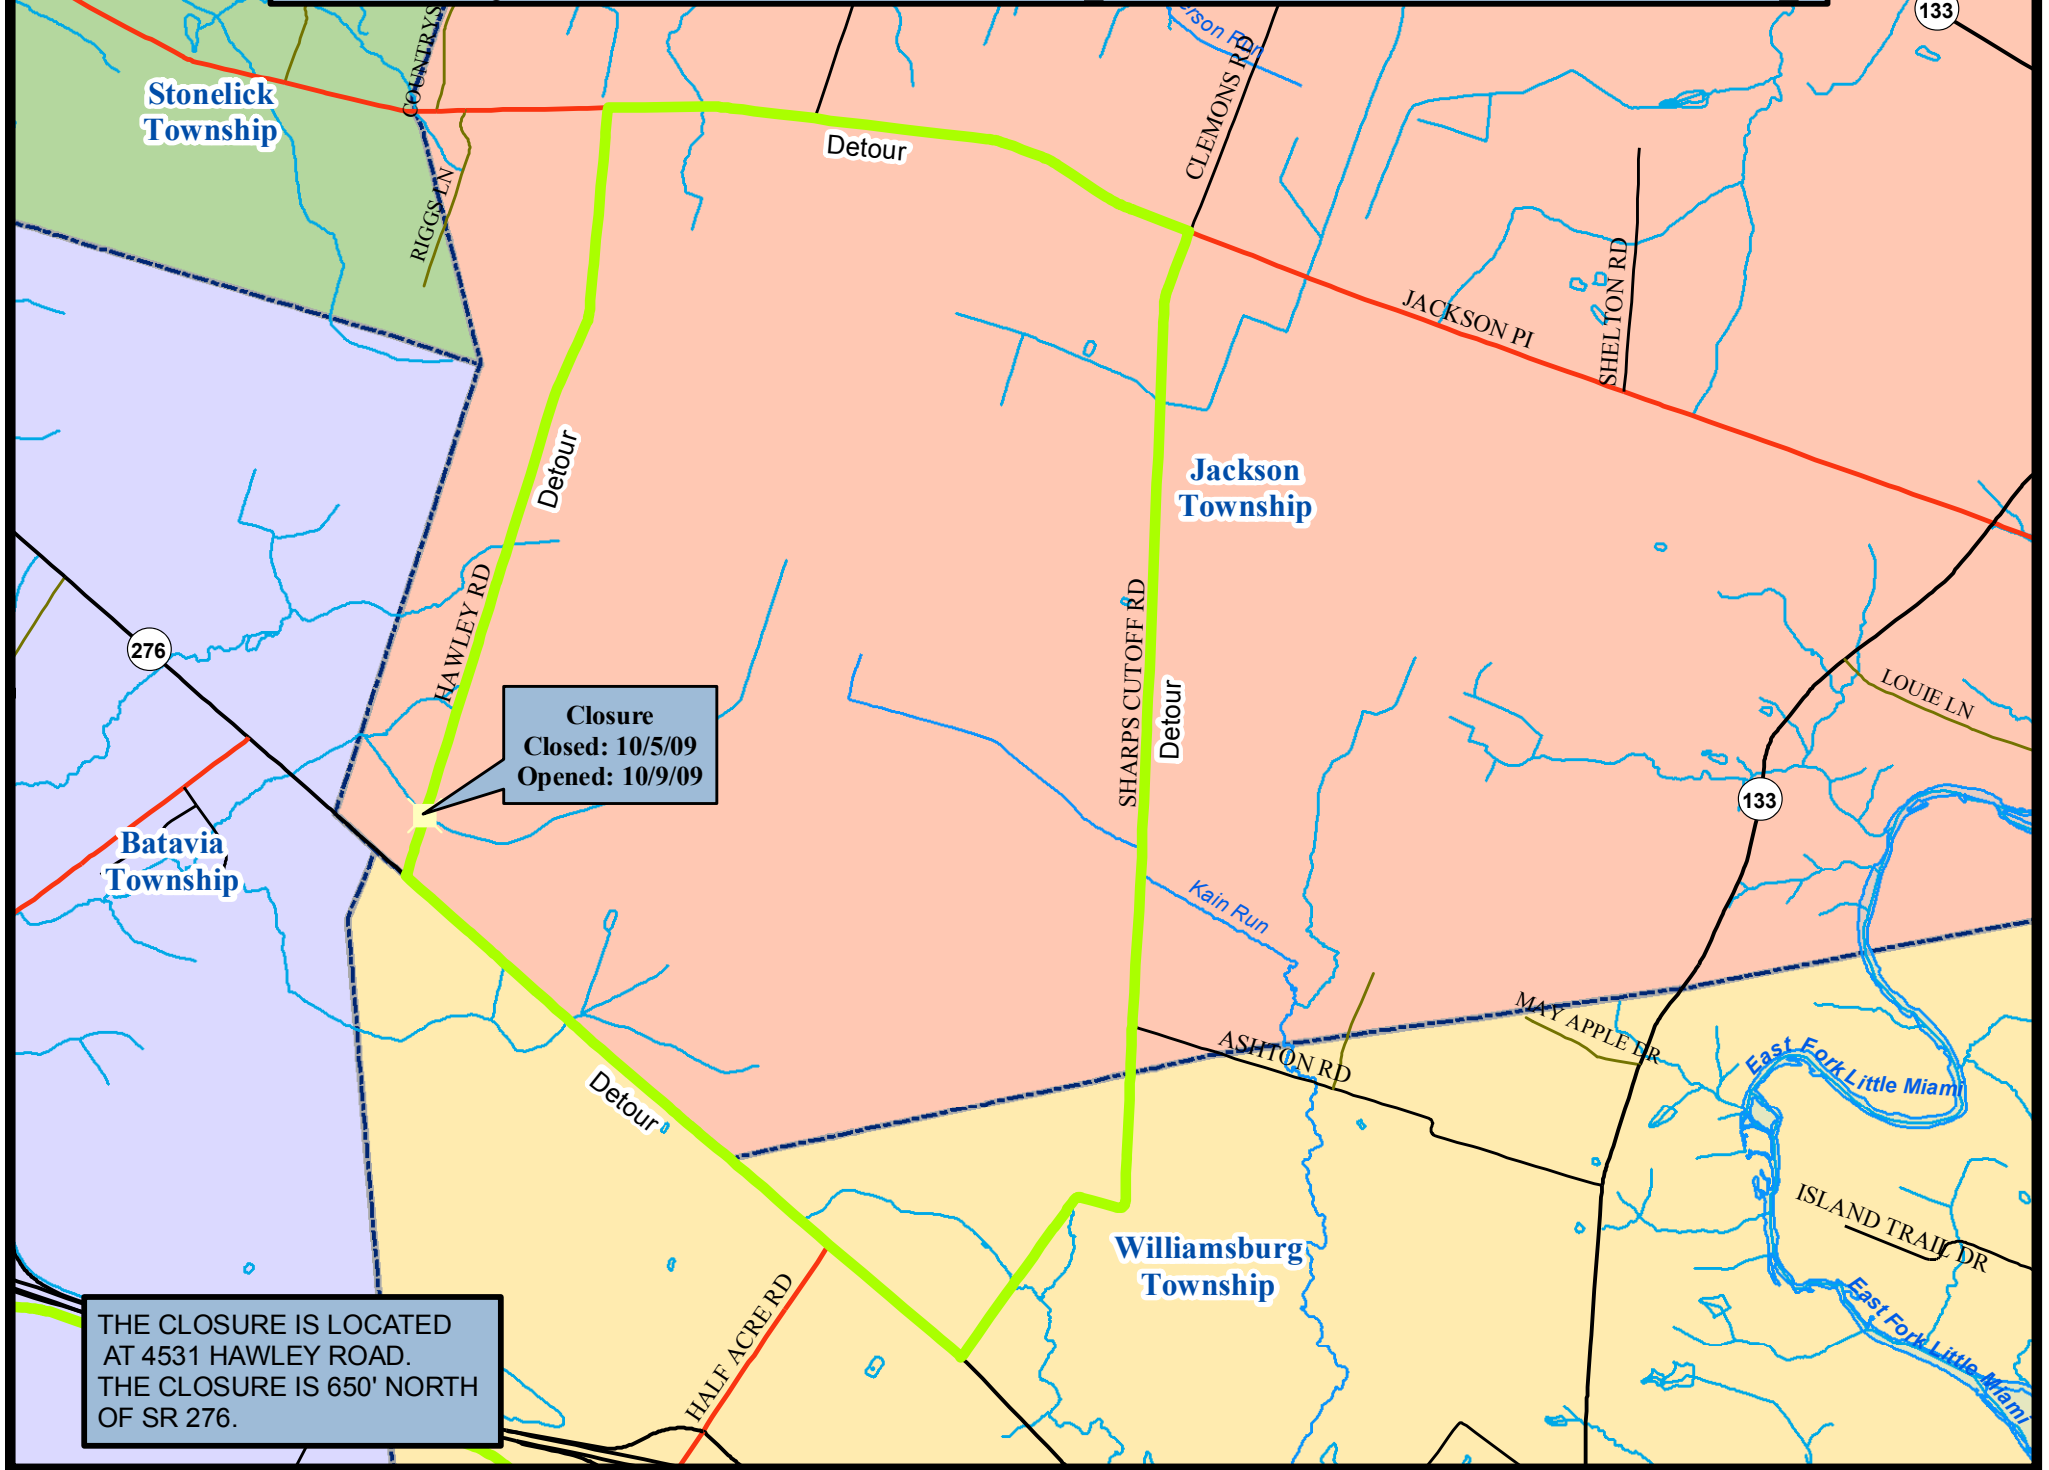

Sincerely,

Patrick J. Manger, P.E.-P.S.
County Engineer
