FILAGER ROAD IMPROVEMENT STUDY

When?

WEDNESDAY, SEPTEMBER 7, 2011
Visit any time between
5:00 PM & 7:00 PM

Where?

SHARED CONFERENCE ROOM
2381 Clermont Center Drive
Batavia, Ohio 45103

The Clermont County Engineers Office is planning to improve portions of Filager Road. These improvements may include, widening of the road, new drainage ditches, culverts, concrete curb and other associated improvements to improve the safety and function of the road. We have no proposed plans at this time and are looking for input from the public.
