RE: Goshen Road Culvert Replacement(CC 57-4)
Wayne Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary for the Culvert replacement on Goshen Road, and that it is impractical to construct a temporary highway/culvert and that a temporary detour is required.

Therefore, I have scheduled a road closure on Goshen Road. The closure is located just between 6171 and 6193 Goshen Road. The road will be closed to through traffic on Friday 6-16-2017 through Friday 6-23-2017. The length of detour is approximately 4.04 miles or 21,350 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

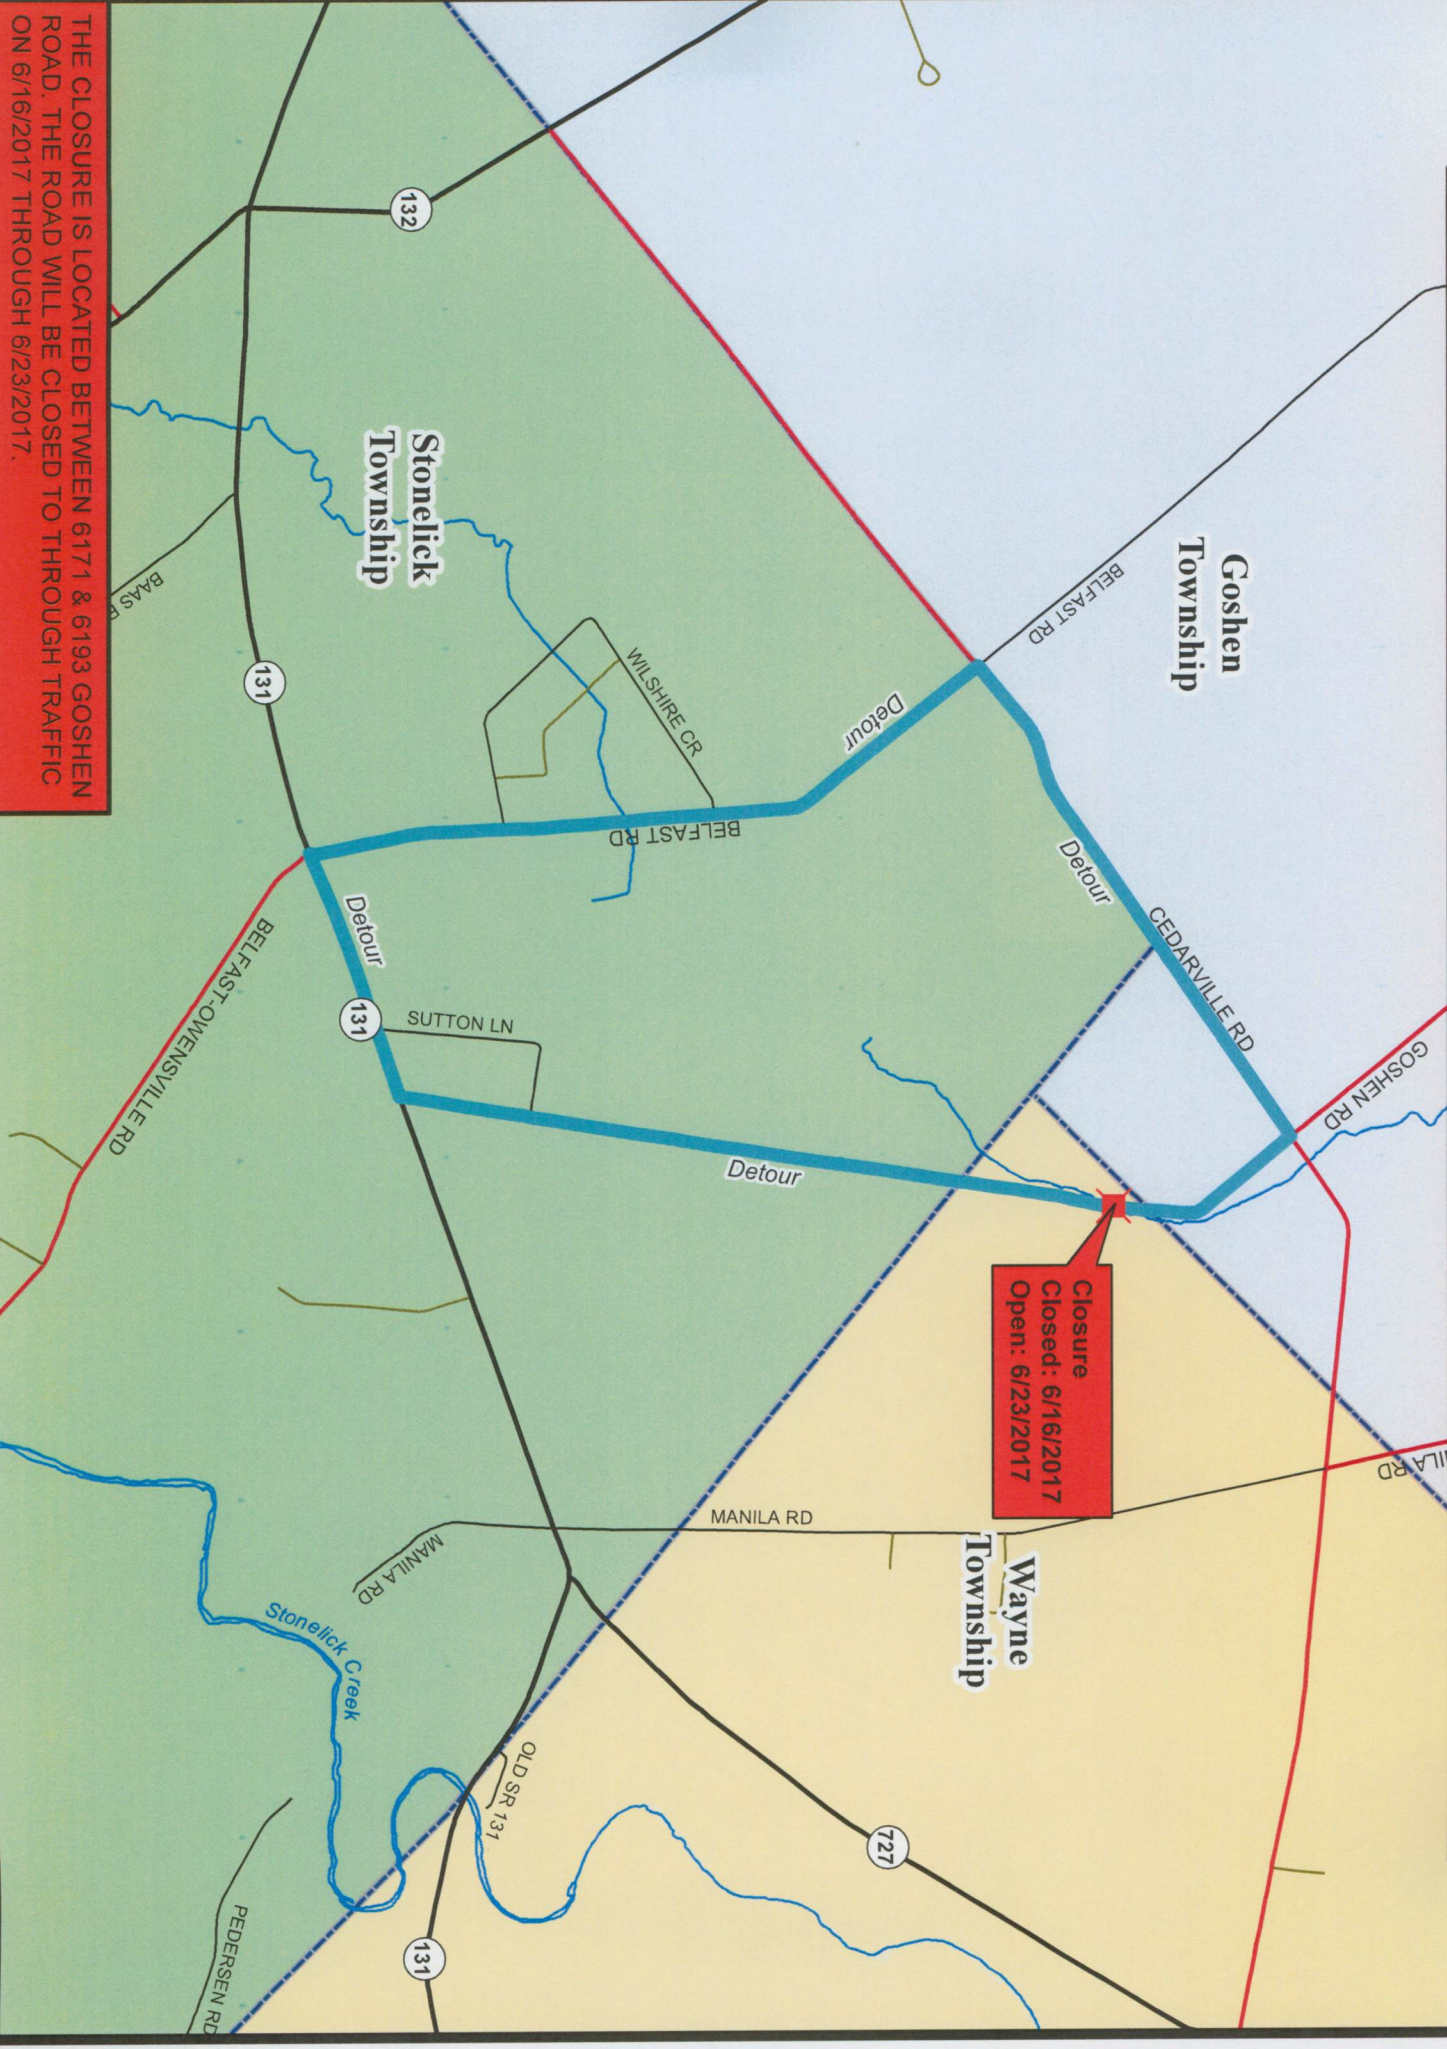

Sincerely,

Patrick Manger, P.E., P.S.
Clermont County Engineer
